During the journey we will observe the flooded forest and a variety of flora and wildlife. We will arrive at the majestic Lake Apu Victor with its crystal clear waters, surrounded by marshes and great trees.

Afterwards, we'll go up to the Observation Deck from which we'll enjoy a panoramic view of the lake observing Parrots, Macaws, Toucans, Camungos, Shanshos, Herons and other animals such as Caimans, Turtles etc and if we're lucky, we'll have a chance to observe the Giant Otter, one of the rainforest's most spectacular animals.

After several hours, we will head back to the lodge to enjoy lunch together.

## Day three

After breakfast we will start an adventure in the virgin rainforest. Accompanied by a local guide we will go on a hike in the deep jungle to arrive at the Lost Cocha which constitutes a refuge and feeding ecosystem for a huge variety of animals.
